

**Carol M. White Physical Education Program
Fiscal Year 2002 Grant Recipients**

The following local educational agencies (LEAs) and community-based organizations (CBOs) will be awarded grants to support innovative approaches to health and physical activity that will equip students with the knowledge to be healthy and physically active for a lifetime. Funded activities include staff development and training of teachers and staff, as well as the purchase of equipment and other support necessary to enable students to participate actively in physical education activities.

All grantees were required to develop programs in conjunction with State standards that addressed preparation or training for staff in one or more of the following program elements:

- Fitness education and assessments to help students understand improve or maintain their physical well-being.
- Instruction in a variety of motor skills and physical activities designed to enhance the physical, mental and social or emotional development of every student.
- Development of, and instruction in, cognitive concepts about motor skills and physical fitness that support a lifelong healthy lifestyle.
- Opportunities to develop positive social and cooperative skills through participation in physical activity.
- Instruction in healthy eating habits and good nutrition.
- Opportunities for professional development for teachers of physical education to stay abreast of the latest research, issues, and trends in the field of physical education.

Community-based organizations were encouraged to partner with local educational agencies to expand existing physical education opportunities to avoid duplication of existing programs and to help students make progress toward meeting State standards in physical education.
